Thirtieth Resolution

Delegation of powers to be granted to the Board of Directors to issue free subscription warrants for the conversion of bonds into shares with share subscription warrants with cancellation of the preferential subscription right in favor of L1 European Healthcare Opportunities Fund

The General Shareholders' Meeting, ruling upon the quorum and majority conditions required for extraordinary general shareholders' meetings,

noting that the capital is fully paid up,

having reviewed the Board of Directors of Directors' report and the Statutory auditors' report,

in accordance with the provisions of Articles L. 228-91, L. 225-129 and L. 225-138 of the French Commercial Code,

delegates to the Board of Directors its authority to carry out the issue 400 free subscription warrants for the conversion of bonds into shares ("OCA"), each of which is attached to share subscription warrants (the "BSA warrants") (hereinafter referred to as "BEOCABSA"),

resolves that the securities thus issued shall have the following characteristics:

Principal characteristics of the BEOCABSAs:

- each issuance warrant shall, if exercised, result in the issuance of an OCABSA with a nominal value of €10,000, i.e. a total of 400 OCABSA representing a total nominal amount of €4,000,000, if all the 400 BEOCABSA referred to above are exercised;
- the Company may request the exercise of BEOCABSAs so as to enable the issue of OCABSA in several tranches with a maximum nominal amount of €250,000 each, it being specified that this amount may be increased by mutual agreement between the Company and the holder of BEOCABSAs,

FOR TRANSLATION PURPOSES

Principal characteristics of the OCAs:

- OCAs will have a nominal value of €10,000 each and will be subscribed at 99% of par. They shall not bear interest and will have a maturity of 12 months from the date of their issue. At maturity, the unconverted OCAs should be redeemed by the Company except for the last tranche of OCAs;
- OCAs may be converted into Implanet shares at the request of their holder, at any time, using a conversion ratio determined by the following formula:

$$N = V_n / P$$

where "N" corresponds to the number of new ordinary shares of Implanet to be issued upon the conversion of an OCA;

"V_n" corresponds to the bond represented by the OCA (nominal value of an OCA);

"P" corresponds to 92% of the lowest of the last ten (10) daily volume-weighted average prices of the Implanet share (as published by Bloomberg) immediately preceding the concerned OCA conversion date, it being specified that the market days during which the OCA holder concerned has sold Implanet shares will be excluded. However, P may not be less than the nominal value of an Implanet share.

As an exception, if the last tranche of OCAs are not converted at the end of an additional 6 month period following their initial maturity date, they will be automatically converted into shares at the end of this period using a conversion ratio determined by the following formula:

$$N' = V_n / P'$$

where "N'" corresponds to the number of new ordinary shares of Implanet to be issued upon the conversion of the last tranche of OCAs not yet converted on their initial maturity date extended by 6 months;

"V_n" corresponds to the bond represented by the OCA (nominal value of an OCA);

"P'" corresponds to the higher of (i) 85% of the lowest of the last ten (10) daily volume-weighted average prices of the Implanet share (as published by Bloomberg) immediately preceding the concerned OCA conversion date, it being specified that the market days during which the OCA holder concerned has sold Implanet shares will be excluded and (ii) 80% of the average volume-weighted price of the Implanet share over the three trading sessions preceding the date of conversion of the OCA concerned. However, P' may not be less than the nominal value of an Implanet share;

- OCAs, which will be transferable under certain conditions, shall not be subject of a request for admission to trading on the Euronext Paris regulated market and, as a result, shall not be listed;

Principal characteristics of the BSAs:

- each BSA warrant shall confer a right to subscription by its holder, at his/her discretion, to a new ordinary share of the Company (subject to possible adjustments);
- the number of BSA warrants attached to each tranche of OCAs shall be calculated so that in the event of exercise of all the BSA warrants, the capital increase resulting from the exercise of said BSA warrants is equal to the nominal amount of the corresponding OCA tranche;

FOR TRANSLATION PURPOSES

- the BSA warrants shall be immediately separated from the OCAs. BSA warrants, which will be freely transferable, shall not be subject of a request for admission to trading on the Euronext Paris regulated market and, as a result, shall not be listed;
- the BSA warrants may be exercised for a period of five years from their date of issue;
- the exercise price of BSA warrants shall be equal to 110% of the lowest of the last ten (10) daily volume-weighted average prices of the Implanet share immediately preceding the exercise date of the BSA warrants leading to the issue of OCAs from which said BSA warrants are separated.

resolves as a result to issue a maximum of 5,714,285 ordinary shares with a nominal value of €0.70 each, which may result in the conversion of OCAs, representing a capital increase with a maximum nominal amount of €3,999,999.50, and a maximum of 5,714,285 ordinary shares with a nominal value of €0.70 each, which may result in the exercise of BSA warrants, representing a capital increase with a maximum nominal amount of €3,999,999.50, plus, where applicable, the nominal amount of shares that may be issued, in the event of new financial operations to protect, in accordance with the law, and, if applicable, any contractual terms, the rights of the bearers of the negotiable securities and other rights giving access to the capital,

resolves, pursuant to Articles L. 228-91 and L. 225-138 of the French Commercial Code, to cancel the preferential subscription right allocated to shareholders by Article L. 225-132 of the French Commercial Code and to reserve the issue of BEOCABSA for L1 European Healthcare Opportunities Fund,

specifies that, pursuant to the provisions of Article L. 225-132 paragraph 6 of the French Commercial Code, the issuance of BEOCABSA shall automatically entail, in favor of the bearer of the BEOCABSA, the waiver by the shareholders of their preferential subscription right to the shares issued as a result of the conversion of OCAs and the exercise of BSA warrants,

specifies that, in accordance with the provisions of Article L. 225-149 of the French Commercial Code, the capital increase resulting from the conversion of OCAs and the exercise of BSA warrants shall be definitively carried out solely by the exercise of the rights attached to the OCAs and BSA warrants and, where applicable, the corresponding payments,

resolves that the new shares issued upon the conversion of the OCAs and those subscribed by the exercise of the BSA warrants must, first, be fully paid up upon subscription by payment in cash or by the offsetting of receivables against the Company and, secondly, shall be effective from the first day of the fiscal year during which the OCAs and BSA warrants have been exercised. They shall enjoy the same rights and shall be identical to the existing shares in every way,

resolves that the OCAs and BSA warrants will be issued in nominative form and be registered in an account,

resolves to give all powers to the Board of Directors to implement this delegation of power, notably in order:

- to proceed with the issue of BEOCABSA in accordance with the provisions of the present resolution and within the limits fixed herein;
- to establish the completion of one or more capital increases following the conversion of the OCAs and the exercise of BSA warrants under the legal conditions and modify the bylaws of the Company accordingly;
- to make all provisions and conduct any formalities which are necessary or consecutive to the issue of the shares resulting from the conversion of the OCAs and the exercise of the BSA warrants, to

FOR TRANSLATION PURPOSES

protect the rights of the bearers of the OCAs and BSA warrants, as well as to carry out the corresponding capital increases, and in particular:

- to receive, where applicable, application forms and related payments,
- upon its sole initiative, charge the costs of corporate capital increases on the amount of the related premiums and deduct from such amount the amounts necessary to bring the legal reserve to one-tenth of the new share capital after each increase,
- to make any decisions that prove necessary for the protection of holders of the OCAs and BSA warrants in accordance with their terms and conditions, and
- generally speaking, take all necessary measures;

takes note of the fact that, should the Board of Directors use the delegation of power, it shall report to the next General Shareholders' Meeting on the use of the powers conferred in the present resolution in accordance with the applicable legal and regulatory provisions and in particular those of Articles L.225-129-5 and L.225-138 (I) of the French Commercial Code.

The present delegation of power will expire at the latest at the end of an eighteen (18) month period from the date of this General Shareholders' Meeting.
